13 REASONS SEWING IS IMPORTANT TO LEARN

Sewing is a life skill that helps develop:

1. Hand-eye coordination
2. Visualization
3. Process thinking
4. Problem solving
5. Spatial Relations
6. Self - efficacy
7. Creative expression
8. Focus
9. Patience
10. Independence
11. Confidence
12. Self-reliance
13. Interpersonal skills

Sewing is a vocation and is now considered one of the "soft technologies" to greater stem functioning.

Best of all Sewing is Fun!

So You...
