

## Jan 29, 2024 | 📅 HHS Community Council Meeting

### Attendees:

Daniel McKeehan, Principal  
Arthur LeBaron, Chair, Parent  
Travis Christiansen, Parent  
Cory Gubler, Parent  
Jenny Chamberlain, Parent  
Kris Long, Teacher  
Grace Losser, Teacher  
Jenae Wallace, Counselor

### Notes

- The meeting began at 3:03 PM. Attendance was taken and a quorum was noted present.
- Principal McKeehan gave the Council an update on Full-Time-Equivalents (FTE's) that the school has been awarded for next year based on attendance. The school will be down 4 FTE's from last year. Mr. McKeehan attributes this to so many students opting to enroll in Utah Online, which reduces the student population. He is concerned that the online classes do not provide the same learning that in-person classes provide, and he cited several statistics regarding pass-rates in online classes vs in-person. This led to a discussion about the 2024-25 School Land Trust Plan and the need to include funding for some FTE's in that plan.
- The Council reviewed the proposed School Land Trust Plan for 2024-25 as follows:
  - Fund 1 FTE in Language Arts \$77k
  - Fund 3 student mentors \$60k
  - Fund 2 ESL Aides \$27k
  - Fund School of Life \$9.8k
  - ACT coordinator \$5k
  - Fund Professional Development for Teachers \$10k
- Total proposed funding is \$181,800, which will fit well within the proposed funding amount and a small carry-over from the previous year.
- Cory Gubler motioned to approve the plan as shown. The motion was seconded by Travis Christiansen. The motion was approved unanimously.
- The meeting was adjourned at 3:50 PM.
