Evaluating the Effectiveness of Distracted Driving Laws webinar possible. The webinar recording is now available on the NTSB's YouTube channel: <https://youtu.be/se5Xcy8ub64>.

## Announcements

[Road Skills maneuver videos](#) are now available.

New Driver Handbooks available at the DLD warehouse, or contact [Kamie Bell](#)

The [Driver Education and Training Promising Practices: A Systemic Literature Review](#) has been published by NHTSA. The purpose of this research was to identify information gaps and key research questions related to the national standards [NTDETAS](#). The primary research questions/issues identified related to three broad categories: the value of **blended learning**, the use of **deliberate practice**, and the application of **simulation approaches** to driver education.
