

Minutes for Community Council Mtg held 1/13/25

Principal McKeehan discussed the greatest area of academic need at HHS being Math and students classified as ESL. The data was reviewed that showed Math had the highest growth last school year but still fell below state proficiency, while ESL students continue to show the lowest ACT and graduation rates.

Principal McKeehan reviewed the previous two years from State Trust Lands allocations and predicted next year's dollar amount to be in the neighborhood of \$185,000 and discussed the need to review staffing in our next mtg (March 3rd).

No action items were addressed and no voting on any specific items took place

Attendance:

Principal McKeehan
Arthur LeBaron
Kraig Stowe
Kris Long

Absent:

Mandi Beard
Travis Christiansen
Amy Drawe
Rheana Bristol
Janae Wallace
Renee Martineau

Next Meeting: 3pm on 3/3/25
