### HURRICANE HIGH SCHOOL STUDENT ACHIEVEMENTS

## Congratulations to Jorel Nugent!

He was recently awarded a \$30,000 scholarship for the Air Force's Flight Academy program!

HHS has AP Statistics! Our FIRST AP Stats Class in many years is going strong. Students are loving the real world applications and getting to work together. They are feeling strong about passing the AP test. Talk to your math teacher and counselor about adding AP Stats to your schedule next year.

## THE SCHOOL OF LIFE

The AMBUSH Service Club has been hard at work this fall, embodying its mission of community service and kindness. Its recent fundraiser brought an exciting opportunity for supporters to give back while receiving a little help themselves. Students sold tickets for the chance to win two hours of service from the club, and four lucky winners were chosen to have their projects completed.

Before Thanksgiving, the club tackled their first project, raking leaves and tidying up a local yard just in time for the holiday. With warm smiles and lots of energy, the students worked together to make a difference for their first winner.

Over the next few weeks, the AMBUSH team will lend their talents to the community in more ways. They're planning to assist at the local food pantry, visit seniors at a care facility to brighten their day and complete the final winner's project next week.

The goal of Ambush is to show that service can be fun and impactful. "We're excited to give back to our community and build connections with the people we help."

The AMBUSH Service Club continues to inspire with their dedication and teamwork, proving that a little kindness goes a long way. Keep an eye out for their next project—you might even want to join in.

AMBUSH

The first session of "SCHOOL OF LIFE" was a roaring success! We had 14 of the most incredible students participate in learning more about making the most of life. This after school class is taught 3 times a year and is open to any student. It is taught by Mr. Neeley and Mrs. Long. The next session starts in February, so if you are interested or have any questions talk to Long, Neeley or the main office to learn more.

Braxton Johnson, a sophomore at HHS, recently competed in the Southern Utah Triathlon. He took 1st place in the 15-18 age division and 19th overall, competing against pro triathletes. Braxton is on the HHS swim team. The swim team had the opportunity to support him, as they were volunteering at the same event for a fundraiser. Students from HHS helped time, give out water, and organized the swim-bike-run transitions. This helped earn \$1500 for the swim team.

## LANGUAGE ARTS

The Language Arts department maintains its high standards this quarter. Click any icon to read more about their activities.

HHS was awarded \$1,000 for kicking field goals at half time. Thank you Drama Club, Debate Team & Cheerleaders!

# Talent Show

The Annual HHS Christmas talent show is one of our favorite traditions. This year was a showcase of a myriad of talents. Congratulations to the winners!

1st place: Emily Stewart; 2nd place: Lizzie Scholzen, Addi Monson, Carter Kane & Tyson Peterson; 3rd place: Corbin Beutler
