If an applicant has a document like this, you may not test him/her. This is a Receipt Only. It doesn't allow for the applicant to drive at all!!!!!!

All drivers will be issued a document even when they do not pass the required tests.

Check expiration dates and check for permit vs. ID Card

COLLISION REPORT FORMS

A collision report form (check with your school district) shall be available at all times and must be completed by the instructor immediately following any collision, regardless of damage or injury.

All driver training vehicles involved in a collision must file a report with the appropriate police agency. A copy of the police report SHALL be given to the appropriate school administrator and filed with the collision report form.

School districts shall have a policy for crashes that occur outside of school hours that include procedures and how to contact the appropriate school administrator(s).

A student driver who is at fault of a traffic violation resulting in a crash while holding a driver education permit may result in course failure and must take the class at a later date.

Collision report forms must be completed and a copy sent to the driver education specialist within two weeks after the crash incident.
