HURRICANE HIGH SCHOOL STUDENT ACHIEVEMENTS

Although many students tried to win the annual Pull-Up Challenge, none could beat our own Mr. Mildenhall, with an impressive 24!

The first week of December brought in HOSA week, presented by the HHS chapter of Health Occupation Students of America. "Team up Tuesday" offered helium balloon clips with positive messages attached that students could pass along. On "Wounded Wednesday" HOSA members distributed mini emergency kits. Everyone was chilling on "Therapy Thursday" in their PJs, sipping cocoa. Wrapping up the week was "Future Friday," with students dressed up as their anticipated careers; HOSA also hosted a blood drive. Thank you to all who participated from the school and the community!

Mrs. Douglas' Creative Writing 1 classes published their collection of 35 essays, stories and poetry.

Mrs. Kroff's World Civilizations classes were studying Ancient Greece, and held their own mini class Olympics. They did a "Javelin" (paper airplane) competition, Olympic Tongue Twisters, and Art Recognition! They split up into different Greek City-State Teams: Spartans, Athenians, Argives, Megarians and Corinthians. Pictured below are the winners.

A huge congratulations to Kuira McGohan whose painting was chosen by WCSD to be the cover of their annual Christmas card! It's no wonder she was just chosen as our new Visual Arts Sterling Scholar.

HHS held its
1st annual

**Better Together
Week!**

This year, Hurricane High School devoted one week to "choosing to see the good." The goal was to focus on the positive, challenging every Tiger to choose to see the good at school, at home, in the community and in the people around us. The week was a huge success and we're looking forward to many years of this new tradition of kindness, service, and positivity.

Positive messages
written outside of the
school kept spirits up,
and kindness
abounding all week!

Links of positive messages
that students wrote formed
the "Unity Chain." The chain
reached from the Counseling
Center to the 3rd floor!
