Hotel room blocks close on March 26th!

ANNUAL CONFERENCE INFO

Sunday, April 26th • 9 AM - 6 PM [Pre-conference training link](#)

Pre-conference training opportunity, not required.

Training is available Sunday to learn on how to use the new scheduling software and receive one-on-one assistance if needed. We are also providing training on how to download and use the AAA How to Drive curriculum to those who would like more information, training, or assistance.

Pre-Conference training will be at the Courtyard by Marriott hotel in Cedar Breaks and Collab Canyon.

Monday, April 27th • 8 AM - 5 PM [Register Here](#)

Join driver educators across Utah and leaders in driver education at our annual conference in Cedar City. Earn professional development hours while developing your skills through research-based practices, hands on training activities, best practices when making procedure and policy, networking, and how to become more effective and efficient with software and AI.

Southern Utah University
Sharwan Smith Event Center
351 W University Blvd
Cedar City, Utah 84720

You must be a member of UDTSEA to attend the conference. Please join UDTSEA now to become a member before registering. [Join Now](#)

You must live more than 60 miles from the conference location to be eligible for a hotel room on Sunday evening. Hotel links close on March 26th. You are responsible for cancelling the reservation if you choose not to attend.

Safe Roads Driving Challenge

As a part of our team of driver educators, you know great driver education works and we are out to prove it.

With Street Smarts, we're launching the **Safe Roads Challenge – Utah**, a statewide initiative that gathers real-time driving analytics through a mobile app. We are providing it to you at no cost to download and engage with so we can gather driving analytics that Lecticon will present at the UDTSEA Conference on April 26 during their session: "**From Gut Feel to Hard Data: Proving Driver Ed Works.**"

We are looking at the opportunity to provide the Challenge to all our student drivers to help gather driving information across the state and learn more about what's working and the challenges they face. State Challenges are currently taking place in Florida, Washington, and Hawai'i, with the next launch in Idaho.

We would really appreciate your participation.

Getting Started (3 Easy Steps)

1. Download the Safe Roads Challenge app (Quick Start Guide attached)
2. Create your account (enable Location Services so trips record correctly)

Join the Utah team using code: **TEAMUTAH**

The app uses minimal battery and data and **does not share any personal data with third parties**. Participation is completely free!

The more instructors who participate now, the stronger and more meaningful our Utah data will be when presented at the conference.

Thank you for what you do every day to keep our roads safe.

2026 Drive2Life PSA Contest

The Dangers of Speeding

Challenge: Students must write a script for a 30-second public service announcement (PSA) video about **The Dangers of Speeding**

Prize: One Grand Prize student winner will receive **\$2,000**, and get to **produce his or her PSA with an Emmy Award-winning producer**. Plus, the winner and his or her PSA will be featured on Teen Kids News! See the Prizes section below for more details.

Download, photocopy, and distribute the reproducible activity sheets to all students, or share the PDFs through your school's digital platform if you're connecting with students remotely. Prepare the materials for each activity and preview PSAs on our website for reference in advance. Distribute the family letter as well to help parents continue the conversation at home. **Deadline for entries is March 23, 2026**
